MEMORANDUM OPINION AND ORDER RESPECTING PENDING MOTIONS

The above-styled actions were removed on various dates beginning in February 2016 and concluding in mid-August 2016. It appears that the removals have now ceased. On June 27, 2016, the Court entered its “Order and Notice Respecting Consolidation,” (“June Order”) which joined these actions for purposes of adjudicating certain matters. The *Bolon* matter was designated as the lead case. The Court now **ORDERS** that the subsequently removed *McEndree*,

Deal, *Vanmeter*, *Spack*, *Reeves*, and *Richardson* matters be, and hereby are, consolidated with, and added as member cases to, the *Bolon* matter.

There are certain motions pending in each case. The motions to remand and to amend were filed by the various Plaintiffs. The motions to transfer were filed by one or more Defendants:

The motions to amend are unopposed or within the time permitted for amendment as of right pursuant to Federal Rule of Civil Procedure 15(a)(1), as made applicable by Federal Rule of Bankruptcy Procedure 7015. It is, accordingly, **ORDERED** that the motions to amend be, and hereby are, **GRANTED**. It is further **ORDERED** that the proposed amended complaints be, and hereby are, filed today.

Also pending in the *Woods* and *Hatfield* matters are motions by Blackhawk Mining, LLC (“Blackhawk”), for leave to file limited surreply briefs. It is **ORDERED** that the motions

be, and hereby are, **GRANTED**. It is further **ORDERED** that the proposed surreplies be, and hereby are, filed today.

Respecting the motions to remand and transfer, the June Order disclosed that the Court would utilize solely the briefing in the *Bolon* matter. The June Order additionally provided as follows: “In the event that the parties desire to be further heard on that procedure, they may express their views in writing by filing a notice in the *Bolon* matter on or before July 1, 2016” (Jun. Ord. at 20). Blackhawk was the only party that responded, asserting pertinently as follows:

[T]he Removed Actions involve similarly situated parties and arise from, in most instances, the same general facts. Joint administration and consolidation will preserve and save time, costs, and expenses for the Court and all parties involved.

(Resp. on Consolid. at 2).¹ Additionally, the Court notes that the motions to transfer in the *McEndree* and *Deal* actions are unopposed and no remand motions have been filed therein.

Inasmuch as the Court requires only the briefing in the *Bolon* matter to make the remand and transfer determinations, it is **ORDERED** that the remand and transfer motions in the following cases be, and hereby are, administratively terminated:

Case Style
Smith v. Blackhawk Mining, LLC, <i>et al.</i> ,
Adkins v. Blackhawk Mining, LLC, <i>et al.</i> ,
Terherst v. Blackhawk Mining, LLC, <i>et al.</i> ,
Sizemore v. Blackhawk Mining, LLC <i>et al.</i> ,
Smith v. Blackhawk Mining, LLC, <i>et al.</i> ,
Fox v. Blackhawk Mining, LLC, <i>et al.</i> ,
Barker v. Blackhawk Mining, LLC, <i>et al.</i> ,
Brown v. Blackhawk Mining, LLC, <i>et al.</i> ,
Downey v. Blackhawk Mining, LLC, <i>et al.</i> ,
Oiler v. Blackhawk Mining, LLC, <i>et al.</i> ,
Tedder v. Blackhawk Mining, LLC, <i>et al.</i> ,

¹ Blackhawk added that the *Hatfield* and *Woods* matters included, in addition to alleged removal jurisdiction under 28 U.S.C. §§ 1334 and 1452, a separate basis for removal, namely, complete preemption under the Labor Management Relations Act, 29 U.S.C. § 185(a). To the extent that the Court determines it is necessary to consider whether complete preemption applies, it will consult the briefing in the *Hatfield* and *Woods* matters.

Blackhawk additionally noted that the *Godby* matter “does not involve Blackhawk or its affiliates and is not related to the cases against Blackhawk.” (Resp. on Consolid. at 3). Inasmuch as the *Godby* removal is based upon the same Fourth Amended Joint Plan of Reorganization at issue in the other removed actions, consolidation is appropriate.

Williams v. Blackhawk Mining, LLC, <i>et al.</i> ,
Estep v. Doe LLC <i>et al.</i> ,
Woods v. John Doe LLC, <i>et al.</i> ,
Hatfield v. Blackhawk Mining, LLC, <i>et al.</i> ,
Godby v. ERP Compliant Fuels, LLC, <i>et al.</i> ,
Taylor v. Blackhawk Mining, LLC, <i>et al.</i> ,
Vanmeter v. Blackhawk Mining, LLC, <i>et al.</i> ,
Spack v. Blackhawk Mining, LLC, <i>et al.</i> ,
Reeves v. Blackhawk Mining, LLC, <i>et al.</i> ,
Richardson v. Blackhawk Mining, LLC, <i>et al.</i> ,

The Court deems the matters submitted. It is the Court's expectation to enter rulings in the lead *Bolon* matter on or before September 28, 2016.

The Clerk is directed to transmit a copy of this Order to all counsel and parties entitled to notice.
